

Mom loved going to movies. Every Friday she would eagerly flip through the newspaper to discover the new showings for the week. But she can't read anymore and doesn't know which movies are playing. VOICEcorps Radio Service is an Ohio charity that can read to her over the radio. Mom no longer has to miss out on her favorite past-time.

Who do you know who needs VOICEcorps?

Mom speaking: Yes! A 20 percent off coupon for jeans! And, I'll have enough money to buy a belt to go with it!

Mom now steals all the deals thanks to VOICEcorps Reading Service, an Ohio charity that reads to her over the radio. She can't read anymore, but she can hear the department store ads read to her over the radio with VOICEcorps.

Even though he can't read anymore, Dad is still sharp as a wit and engages with you about politics and current events every day over the phone. He listens to VOICEcorps, an Ohio charity that reads to him over the radio. Having access to all of his favorite magazines that he used to read, Dad never misses a beat with VOICEcorps.
